

Bulletin: #346034  
April 2007  
File: Cordless

**TO: PASLODE® DISTRIBUTORS  
PASLODE DISTRIBUTOR SERVICE DEPARTMENTS  
PASLODE SALES AND MARKETING PERSONNEL**

**SUBJECT: Fan Motor Assemblies**

Paslode has made a number of improvements to fan motors and the motor mounts over the years. This has caused some confusion when ordering replacement motor assemblies.

The list below provides the current and old part numbers.

**New Number**

Cordless Framing Nailer # 900420  
900469

**Old Number**

403858

IM250 Type II # 900400  
\*900573

900524 and 900272

IM200S-16 #900078  
\*900573

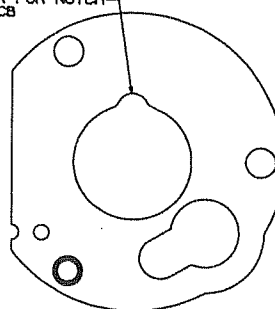

900526, 900525 and 900272

Trim tools #900600, #902000 and #901000  
901382

901112 and 900524

\* Note: Tools built prior to 2001 may need a clearance notch filed in to the circuit board assembly as shown in the drawing.

CHECK FOR NOTCH  
ON PCB
