

Turnkey ProSeries

Advanced "application specific" automated labeling systems designed for efficiency and productivity

Paragon offers a range of high-performance turnkey labeling solutions designed for a wide variety of specific industry applications, including wrap-around, top-and-bottom, and two-sided labelers. And with our OEM partners and our network of authorized distributors, we have the experience, capability, and commitment needed to deliver affordable custom printing and labeling systems to meet customer requirements. The ProSeries is used in virtually all industries such as pharmaceuticals, personal care products, foods, vitamins, cosmetics, and chemicals, where best-in-class reliability is the mandate for production efficiency.

PRO-225 TOP & BOTTOM LABELER

Armed with the newest and fastest NETCON control technology, the PRO-225 top and bottom labeler lights-up the "one touch" bright digital display screen for quick set-up. PRO-225 top and bottom labeler delivers accurate and high speed repeatable labeling. Easy to reach hand wheel adjustment and side rail quick-set adjustment means more "up-time" on your production line. The PRO-225 is suitable for a wide range of flat package applications, and accommodates a variety of sizes.

Voltage	220/110 VAC 50/60 HZ 1 PHASE
Power	880 VA
Controls	NETCON TOUCH SCREEN
Conveyor Speed	0-40 m/min
Dispensing Speed	40 m/min Max.
Applicator Height	150mm (5 7/8")/200mm (7 7/8")
Conveyor Width	180mm (7 3/32")
Spool Diameter	76mm (3")

PRO-625 FRONT & BACK LABELER

Armed with the newest and fastest NETCON control technology, PRO-625 lights-up the "one touch" bright digital display screen for quick set-up. Our stepper with servo drives deliver accurate and high speed repeatable labeling. Easy to reach hand wheel adjustment and side rail quick-set adjustment means more "up-time" on your production line!

Voltage	220/110 VAC 50/60 HZ 1 PHASE
Power	1320 VA
Controls	NETCON TOUCH SCREEN
Conveyor Speed	0-40 m/min
Dispensing Speed	40 m/min Max.
Applicator Height	150mm (5 7/8")/200mm (7 7/8")
Conveyor Width	160mm (6 5/16")
Label Reel Inner	76mm (3")

LABELING SYSTEMS

Modularity. Integration. Performance.

PRO-515 & PRO-516 WRAP AROUND LABELERS

Armed with the newest and fastest NETCON control technology, the PRO-515 and PRO-516 light-up the "one touch" bright digital display screen for quick set-up. Our stepper drives deliver accurate and high speed repeatable labeling. Easy to reach hand wheel adjustment and side rail quick-set adjustment means more "up-time" on your production line!

PRO-515

Voltage	220/110 VAC 50/60 HZ 1 PHASE
Power	660 VA
Controls	NETCON TOUCH SCREEN
Conveyor Speed	0-40 m/min
Dispensing Speed	40 m/min Max.
Applicator Height	150mm (5 7/8")/200mm(7 7/8")
Conveyor Width	160mm (6 5/16")
Label Reel Inner	76mm (3")

PRO-516

Voltage	220/110 VAC 50/60 HZ 1 PHASE
Power	1100 VA
Controls	NETCON TOUCH SCREEN
Conveyor Speed	0-40 m/min
Dispensing Speed	80 m/min Max.
Applicator Height	150mm (5 7/8")/200mm(7 7/8")
Conveyor Width	160mm (6 5/16")
Label Reel Inner	76mm (3")
